

## **Fund Raising Made Easy**

### **About our Program**

Although our state of the art, stainless steel grills can cook a broad range of items, the MOST POPULAR and the EASIEST fundraiser is our delicious grilled Chicken Half and our thick & juicy BBQ Pork Steaks. Both items can be offered Ala Carte or as a plate with two side dishes such as potato salad and baked beans or crispy cole slaw, and bread or bun. Other popular items available for fund raisers are our tender BBQ Ribs, Johnsonville Brats, and Hot Dogs for the kids of course. Our prices include Styrofoam plates or hinge lid take our containers, plastic fork and napkin for eat ins, and the labor to grill the meat and cook.

Your organization needs to provide staff to sell and make up the plates as people arrive to eat or pick up their food. Most groups find it advantageous to pre sell as many tickets as possible so that they have a good base of numbers to work from. If you have a good location where there is plenty of traffic, you can count on additional sales from people driving by, especially if you have good signage up that can be seen from a distance or you place signs back a block to alert people to your function. It is easy and can be very profitable for your group with a minimum amount of effort.
